STF One Day Strike - NO SCHOOL: January 16, 2024

January, 11, 2024

The Saskatchewan Teachers' Federation announced today that "On Tuesday, January 16, 2024, there will be a provincewide strike by all members of the STF. All Federation members will withdraw all professional and voluntary services for the entire day. STF members will not report to nor enter their place of work."

This means **Sakewew First Nations High School will be closed for students that day**. Students will not be able to access the school, transportation/buses will not run, and all extra-curricular activities will be cancelled. Unless otherwise notified, school will resume as normal the following day.

Any further job action will be determined by the STF but could further impact extra-curricular programming, supervision at the start or end of the day and/or at noon, the length of the school day, and/or transportation pick up and drop off times.

Our understanding is that the STF will provide 48 hours' notice of job action and we will notify students, families and other staff as soon as possible of any impacts to Sakewew via our website and Facebook account, as well as through communication directly to students and support staff at school.

Thank you for your understanding and patience throughout this process.

Sincerely,

Merle Osecap
